

## EuroMed2022: Digital Cultural Heritage Documentation, Preservation and Protection

**NEW DATES:** The international conference EuroMed 2022 will be held in Cyprus from the 7th to 11th November 2022.

View the agenda for EUROMED: <https://euromed2022.eu/e-agenta/>

The event, announced by the newly established UNESCO and [European Research Area \(ERA\) Chairs on Digital Heritage](#), is dedicated on **Digital Cultural Heritage Documentation, Preservation and Protection**.

EuroMed 2022 will focus on **interdisciplinary and multi-disciplinary research on tangible and intangible Cultural Heritage**, using cutting edge technologies for the protection, preservation, massive digitalization, documentation and presentation of the Cultural Heritage contents. At the same time, it is intended to cover topics of research ready for exploitation, demonstrating the acceptability of new sustainable approaches and new technologies by the user community, SMEs' owners, managers and conservators of cultural patrimony.

The conference is in cooperation with the EU Research Infrastructures: [DARIAH-EU](#) European Research Infrastructure on e-Humanities and Art, [CLARIN-ERIC](#) European Research Infrastructure for Language Resources and Technology, the H2020 [MSCA ITN CHANGE](#) project, the H2020 [Impactour](#) project, the [EU OPHERA](#) project, the international association for photographic heritage [Photoconsortium](#), the [CARARE Consortium](#) and the [Michael-Plus Association](#), together with the prestigious publisher [Springer-Nature](#).
