Erasmus citizenHeritage

CitizenHeritage is co-financed by the Erasmus+ Programme of the European Union, project number 2020-1-BE02-KA203-074727

In this Food and Culture workshop, students from **Erasmus University Rotterdam** get to cook, eat, and discuss the role of food in shaping and expressing identity ? also talking about the environmental effect of the food chain. The event takes place at the **Erasmus Food Lab**, an organization aiming to promote and raise awareness about sustainable and healthy food. It is an experimental playground for research, teaching and marketing related to plant-based foods.
