

## How should a Culture Goal be? Last days to answer the survey launched by #culture2030goal campaign

From <http://culture2030goal.net/>

The [#Culture2030Goal campaign](#) brings together international networks] of actors in the culture field, **united to advocate for the role of culture in sustainable development**. Its mission is to **integrate culture**, pillar of sustainable development, **into the global development agenda**.

Its objectives include:

- A stronger place for culture during the implementation of the current global development agenda (the United Nations 2030 Agenda)
- The adoption of culture as a distinct goal in the post-2030 development agenda.
- The adoption of a global agenda for culture.

As a contribution to the **UNESCO Mondiacult 2022 Conference**, to be held in **Mexico City in next September 2022**, the **#Culture2030Goal campaign released a [Statement](#)** ]which calls for concrete, bold and engaging outcomes to accelerate the shift to a world **that puts culture at the core of decision-making, and that calls for a stand-alone Goal on Culture**.

The campaign is now working on a draft of this stand-alone Goal and has **launched a survey**, aimed at anyone with an interest in sustainable development, culture and the connection between the two, **to explore and build this Goal**.

The survey is available at the link
