

## RICHES is on Net4Society's website!

The screenshot shows the Net4Society website with a green header. The main content area features a navigation menu on the left with items like Home, News, About the Project, Research Directory, Partner Search Support, Horizon 2020 Call Information, SSH Events, Increasing SSH Visibility, International Cooperation & EU13 New Member States, Library and Links, Newsletters, and Login for SSH NCPs. The main text announces the RICHES First International Conference "Cultural Heritage: Recalibrating Relationships" on 04.12.2014 - 05.12.2014 in Pisa, Italy. It states that the conference will be held in Pisa at the Museum of Graphics of Palazzo Lanfranchi. The project is funded by the EU Commission within the 7th Framework Programme for Research and Technological Development. The main objective is reducing the distance between people and culture, recalibrating the relationship between heritage professionals and heritage users. The topic of the conference is "CH: Recalibrating Relationships".

On 9 September 2014, **Net4Society** published an article on its website announcing the first International Conference of the RICHES Project, being held in Pisa, at the Museum of Graphics of Palazzo Lanfranchi, on 4-5 December 2014. During the two-day event, entitled Cultural Heritage: Recalibrating Relationships, the Consortium partners will present the initial project's outcomes and illustrate the progress and advances made by the research. Well-known experts, from Europe and outside Europe, will intervene as key-note speakers.

NET4SOCIETY is the **International Network of National Contact Points for the Societal Challenge 6** ("Europe in a changing world: inclusive, innovative and reflective societies") and **Socio-economic Sciences and Humanities (SSH) in Horizon 2020**.

National Contact Points (NCPs) are set up to guide researchers in their quest for securing EU funding.

Founded in 2008, Net4Society is a learning network which actively supports the SSH research community and offers help in every respect of Horizon 2020 consultation. It includes National Contact Points from almost 50 countries.

Net4Society is an FP7 project funded by the EUROPEAN COMMISSION.
