Pisa's cultural association Imago presents its XXI photographic marathon: 12 hours, 4 subjects, 1 passion.

The event is taking place in **Pisa**, on **27 May 2023**, from **9.00 to 21.00 CEST**.

Website: <http://www.imagopisa.it/xxi-maratona-fotografica/>

The Marathon will also be available as an online event for those who cannot participate in Pisa. Two sections are available: analogue photograph and digital photograph.

At the opening, the organizing committee will provide participants in the analogue section with a film for 36 shots, and will check the memory cards of participants in the digital section.

Organisers will communicate to the participants one subject every three hours (9.00, 12.00, 15.00, 18.00), which the participants are invited to immortalize in their photographs. The 4 subjects will be communicated also on the IMAGO's online channels.

The historical bar in Pisa "La Tazza D'Oro" will offer breakfast and light lunch to the participants.

Within 21.00 o'clock the shots produced (max 36 images) will be submitted to the Organizing committee.

Additionally, out of the 36 images, participants are invited to deliver to the organisers 4 black & white or coloured photos (20x30 cm), fixed on black cardboards (30x40 cm), by the 14th of July. The images collected will be part of the exhibition in the **XIII IMAGO PHOTOGRAPHIC MARATHON SHOW**, being held in **autumn 2023**.
